BOSCH
Invented for life

**Well equipped for the future:
Your all-round diesel service**

Bosch: worldwide market leader in diesel technology

Bosch is your one-stop shop for everything from straightforward troubleshooting and suitable equipment to repair work for current diesel vehicles, systems and components.

Benefits for your workshop

- ▶ Simple and self-explanatory operation
- ▶ Considerable time savings through quick error determination and repair
- ▶ Best price-performance ratio
- ▶ Equipment and software in best OEM quality

Diagnostics

Perfect all-round equipment: Bosch always has the optimal selection of tools for simple and fast diagnostics of diesel vehicle components.

Diesel sets

Whether low pressure measurement, bleed EPS 100 or pressure build-up tests: with Bosch diesel sets, you are perfectly equipped for professional vehicle diagnostics.

Denoxtronic systems

Bosch counts on the Denoxtronic exhaust after-treatment for the most efficient and low-emission diesel motors.

Test technology

Intuitive, precise and efficient: with Bosch as your partner you always have access to state-of-the-art and easy-to-learn test technology for the professional inspection of deinstalled diesel components.

EPS 118:
The injection tester for every workshop

EPS 815, KMA 822, CRS 845 H:
Universal diesel component testbench

EPS 205:
Quick and efficient work

EPS 708:
Specialised common rail testbench

Tool installation/deinstallation

With us to the top: as the largest automotive supplier worldwide, Bosch offers you a wide range of tools for the installation and deinstallation of diesel components of the best OEM quality.

Repair

More than 125 years of expertise: next to competent service, Bosch provides you with high-quality tools for more efficient component repair.

*The spare parts necessary for the repair are only available to authorised workshops.

Driven by efficiency

Bosch technologies are used worldwide in almost all vehicles. People, and assuring their mobility, is what we are focused on.

Therefore, we have dedicated the last 125 years of pioneering spirit and expertise in research and manufacturing to achieving this.

We continue to work on our unique combination of solutions for spare parts, diagnostic devices, workshop equipment and services:

- ▶ Solutions for efficient vehicle repairs
- ▶ Innovative workshop equipment and software
- ▶ The world's most comprehensive range of new and replacement parts
- ▶ Large network of wholesale customers, for quick and reliable parts supply
- ▶ Competent hotline support
- ▶ Comprehensive educational and training offers
- ▶ Targeted sales and marketing support
